Thursday June 24, 1971

Lithuania: N. Radviliskis

Bishop Vincentas Sladkevicius (exiled to a closed parish near the Latvian border, **UPDATE**: several officials entered the church during a First Communion class, after the class the children were detained, identified, and photographed, when asked to sign the official report on the incident he noticed that the presence of the parents was omitted - which if true made his actions an indictable offence - and so he added the parents' presence to the report)
