Event: Two sisters were dragged from a worship service in the [autumn of 2016](#) by their family, beaten, tied up for four days, refused to renounce Jesus

Nani (aged 17, convert, sister of Nha Phong, said "Our mother never hit us, but our father did. He did this after the head of the village told him to. Dad listened to the authorities who did not want us to go to church. He didn't want my Bible in the house, so he took my Bible and hid it somewhere I couldn't find it. I found it later, so now I can read my Bible again...It has been really hard to not obey our father, who is the head of the family. But we want to obey Jesus more than anyone. We know that Jesus died for us, and we do not want to go back to our old religion. Even if it is difficult, we want to follow Jesus")

Nha Phong (aged 16, convert, sister of Nani)
