Kenya: Maela refugee camp

Fr John Anthony Kaiser MHM (aged 61, U.S. citizen, arrested, beaten, and left in the bush after protesting the violent closure of the refugee camp, wrote "I want all to know that if I disappear from the scene, because the bush is vast and hyenas many, that I am not planning any accident, nor, God forbid, any self destruction. Instead, I trust in a good guardian angel and in the action of grace")
