*Resources for understanding current Christian witness and martyrdom*

## **Weekly Commentary - 2021-01-24 through 2021-01-30**

This week ([please click here to read our report in full](#)) we have only stories from Canada and the U.S. They show that social media censorship of Christian views that are at odds with the zeitgeist not only continues, but they continue to demonstrate arbitrariness and cynicism. One parish can no longer livestream Mass, and no reason was given. Another pastor noted the double standard: "...Bible-believing conservatives like me get bashed and mocked and cursed by the minute on these platforms, specifically for being who we are and believing what we believe, and that is somehow fine and dandy".

Mockery and cursing are also not restricted to social media. A Mass in an Ohio cathedral was invaded and disrupted by pro-abortion advocates. Police were present but made no arrests. Another sign of the times, another reason to pray.
