

Today's Martyrs

Resources for understanding current Christian witness and martyrdom

Weekly Commentary - 2021-02-14 through 2021-02-20

Christians were reported to have been killed in Nigeria and, in a year old report, Pakistan. They were falsely incarcerated, abducted into captivity, or forced into hiding in China, Nigeria, Pakistan, and Palestine. They were assaulted in India, Pakistan, and Palestine. They were subjected to harassment and vandalism in China and the United States. [Please click here to read our report for this week.](#)

Please follow the links to the Pakistani story of the Christian nurse who was assaulted by her hospital coworkers, and note that YouTube has begun to delete the videos of the assault, as they so often do.

Another point of note is the complaint by a Palestinian-Israeli Christian that the Christian clergy is much too silent regarding persecution. "We all are violated, without exception, and the reason is the silence of the church and the clerics in regard to what is happening to us. We ask the clergy: if you are unable to protect your people, close the churches and help us emigrate" he wrote, and then suffered an arrest for his effort.

[Please read our report](#), please pray for the persecuted, and please do not be silent. After all, in the long run there is nowhere to emigrate.
